Age Group: 3-16 Years Old
Certificates: TSE
• Pirate Themed Room Concept and Treasure Chest

• Inner wardrobe drawers and shelves
• Ship themed bed with deck
• Digital printed pirate image
• Dressers with handles on the sides
- Upper teeth with lighting
- Study desk with shark concept
- Natural wooden chair
Technical Details

- Main material is E1 standard, innocuous melamine chipboard, which is extremely resistant against scratching, wearing, and humidity.

- On the straight and curved edges of the boards, polyurethane based glue and 0.40 and 2mm thick abs-pvc foils are used.

- Technically designed according to TÜV GS European Standards that include safety, health and ergonomic tests.

- All fittings are compatible with GS and TSE standards and belong to vendors as Hafele and Samet.

- Hangers are eloxal-coated, and made by extracted aluminum profiles.

- Accessories designed with pirate concept are made of abs material produced by plastic injection method and the surfaces are coated with antique yellow colour that has no harm to human health.

- Handles are made by laminating the artificial leather and PVC. They have a leather design with sewings and have high resistance.
